AZORES TO BRITAIN

A voyage from Sao Miguel to Portsmouth
aboard the MS Island Sky

9th to 23rd May 2024

NOBLE CALEDONIA

This wonderful island hopping itinerary aboard the MS Island Sky explores the islands of the Azores, the Iberian Peninsula and the Channel Islands visiting some marvellously scenic and historic places along the way. We have chosen the perfect time of year for our voyage and can expect verdant gardens and landscapes awash with blossoms and moderate temperatures with the absence of high season crowds.

Our journey begins far out in the Atlantic in the islands of the Azores, some 800 miles from the Portuguese coast, which are known for their spectacular volcanic scenery, abundant flora and peaceful lifestyle. Every new day brings a different vista and we will spend eight days exploring the raw beauty and cultural vibrancy of this remote and unsophisticated archipelago. Their appeal is difficult to define in words, but if you appreciate dramatic scenery, exploring islands where time appears to be standing still, watching for passing whales and learning about the local people and their customs, this could be the voyage for you.

Following our in-depth exploration of the Azores, we spend a relaxing two days at sea before we arrive in the Iberian Peninsula where we will witness some splendid Spanish ‘pazos’ in their springtime glory and step into the pilgrimage cathedral of Santiago de Compostela. Our penultimate call will be to the ‘island of flowers’, Guernsey, where we have a full day to explore before sailing to our destination, Portsmouth. Our two-week voyage will be full of natural world and cultural highlights as we discover timeless islands, fabulous coastal scenery and the rich maritime history of the region in the company of just 100 or so like-minded travel companions.

The Itinerary

Day 1 London to Sao Miguel, Azores. Fly by scheduled indirect flight. Arrive this afternoon and transfer to the MS Island Sky for embarkation. Enjoy welcome drinks and dinner as we sail this evening.

Day 2 Terceira. This morning explore Angra do Heroismo, a charming UNESCO heritage town with a distinct Mediterranean flavour of cobblestone streets and a certain quiet charm. Enjoy a walking tour that takes in the Misericordia Church, Convent do Sao Francisco, the public gardens and museum. In the afternoon there will be free time to hike to Monte Brasil, offering wonderful views over the island, or alternatively relax and wander the historic town at your own pace.

Day 3 Graciosa. Known as the ‘White Island’, Graciosa has a gentle rolling landscape, dotted with windmills and traditional whitewashed houses. Visit Furna do Enxofre (‘Cave of Sulphur’), a geologically unique phenomenon and one of the original examples of the volcanic Azores, and take the winding stairway down to the magnificent volcanic cavern and

lake. Also see the village of Santa Cruz and the charming Matrix Church. Return to the ship for lunch and spend the afternoon at leisure to explore the small town of Vila da Praia.

Day 4 Flores & Corvo. Named after its abundant flora, Flores is often regarded as the prettiest of the Azores. A rugged terrain island with flowers growing in the deep canyons and waterfalls casting hues of blues and green as they splash down to the sea. Visit the vertical basalt cliffs of Rocha do Bordo, formed by the cooling of lava. See a stunning array of natural features including calderas, fajas, rivers, waterfalls and valleys. This afternoon we will use our small ship to circumnavigate the tiny island of Corvo, the smallest island in the archipelago.

Day 5 Sao Jorge. This largely rural island is of geographical interest with its cliff shoreline marked with flat fajas sweeping to the sea. We start our full day tour on the western part of the island, Ponta dos Rosais, visiting a Forest Park and cheese factory. As we move to the north we enjoy the view over the Fajas, an area of flat land at sea level resulting

from the erosion of cliffs. As we make our way to the south side towards Calheta we will stop for lunch at a local restaurant before continuing on to Urzelina to visit the remaining tower of a church buried under lava from the eruption of 1808. Now it is surrounded by fruit trees and vegetation. Upon our return to Velas we will take a walking tour of this charming old-world harbour town. We remain moored overnight for anyone wishing to take an after dinner stroll.

Day 6 Pico. Explore distinctive Pico, home to Portugal's highest peak and numerous black lava flows. The UNESCO-designated Lajido Acros tells the story of early winemakers who used the volcanic soil for the grapes and, on a visit to a vineyard, we will enjoy a tasting of the local product. After a typical Azorean lunch we will learn about whaling life in the Azores at the Museum of Lajes returning to the ship via the Lagoa do Capitaio offering views over the north of the island.

Day 7 Faial. Our day begins with an island drive where we explore the fairly recent volcanic activity at Ponta dos Capelinhos. See how a

1957-1958 volcanic eruption transformed the area and created a new land mass. Visit the Volcano Interpretation Centre before continuing to the impressive Caldera, now a nature reserve, which is 400 metres deep and nearly 1500 metres in diameter. This afternoon a walking tour of Horta will include the Scrimshaw Museum and Cafe Peter, a famous stopping point for sailors crossing the Atlantic.

Day 8 Sao Miguel. Enjoy a full day exploring the island of Sao Miguel, known as Ilha Verde, the green island and home to some of the most stunning viewpoints in the Azores. This morning we head west towards the Sete Cidades volcano from where we can enjoy excellent views over the Lagos de Canarias. We will continue our drive along the attractive northern coast before arriving in the Furnas Valley, an enormous valley and luxuriant garden in the east of the island where we enjoy lunch. We will also visit the village of Furnas and the botanical gardens before returning to the ship and sailing this evening. For the keen hikers, if weather permits, we will arrange to walk the trail in Sete Cidades.

Days 9 & 10 At Sea. Relax on board as we sail to the Iberian Peninsula. Take in a lecture in the lounge or maybe find a spot on deck to watch for wildlife.

Day 11 Vilagarcia de Arousa, Spain. Arriving in Galicia over lunch we will discover the 'Rias Baixas' which translates as low estuaries. This afternoon we drive the short distance to the Pazo de Rubianes which was originally founded in 1411 and was one of the three official lordships in Spain. Enjoy a guided walk through the stunning gardens, famous for their thousands of camellias but also home to eucalyptus trees, sequoias and camphors. Also visit the Pazo's extensive vineyards to learn about the local Albarino wine production and enjoy a tasting before exploring the historical palace itself.

Day 12 La Coruna for Santiago de Compostela. Today we visit Santiago de Compostela, the capital of the autonomous community of Galicia. The city's cathedral is the destination of the important Medieval pilgrimage route, the Way of St James (in Spanish the 'Camino de Santiago'), which is still walked today. For those keen to walk some

of the route there will be the opportunity to hike a short section towards Santiago. Otherwise transfer directly to the site where we will visit the Conventual de San Francisco, the Faculty of Medicine and the world-famous Plaza del Obradoiro. Inside the cathedral, we will visit the Romanic crypt and see the facade of Platerias; the Quintana Plaza; House of Parra; facade of Azabachería; and the facade of San Martin Pinario. Enjoy lunch at a Parador and some free time before returning to the ship and sailing this evening.

Day 13 At Sea. Spend the day at sea as we continue our journey north.

Day 14 Guernsey, Channel Islands. Arrive this morning on Guernsey, the 'Island of Flowers', and take a panoramic drive during which we will see the beautiful coastline and beaches and visit the Little Chapel, built in 1914 as a miniature version of the famous basilica at Lourdes and covered in fragments of shattered china. Return to the ship for lunch and the afternoon is free to explore the pretty town of St Peter Port or maybe join a walk along one of the cliff paths where, if the weather is fine, we should be able to see the nearby Channel Islands and possibly the

French coast. Please note that we will be at anchor today and will use the vessel's Zodiacs to transfer ashore.

Day 2 Lisbon. Set on seven hills on the banks of the River Tagus, Lisbon has been the capital of Portugal since the 13th century. It is a city famous for its majestic architecture, old wooden trams, Moorish features and more than twenty centuries of history. Following disastrous earthquakes in the 18th century, Lisbon was rebuilt by the Marquis de Pombal who created an elegant city with wide boulevards and a great riverfront and square, Praca do Comercio. Today there are distinct modern and ancient sections, combining great shopping areas with culture and sightseeing in the Old Town, built on the city's terraced hillsides. During our panoramic tour we will see the Monument to the Discoveries and Belem Tower and visit the famous Jeronimos Monastery. Return to the hotel for an afternoon and evening at leisure. (B, L)

Day 3 Sintra. This morning we will drive to the UNESCO World Heritage Site of Sintra where we will visit Sintra National Palace, famous for its magnificent painted ceilings. The palace is the only survivor of the country's Royal Halls, dating from the Middle Ages. Later enjoy some free time to explore the town which still retains much of its Medieval layout before driving back to the hotel. The remainder of the day and evening are under your own arrangements. (B)

The much loved MS Island Sky is one of our two flag ships and sister vessel to the MS Hebridean Sky. Both vessels were built in the same shipyard in Italy at similar times and share the same excellent attributes that make them two of the finest small ships in the world. With a maximum passenger capacity of only 118, a vessel of her size is capable of carrying many more but instead the MS Island Sky has the benefit of unusually large suites, luxuriously appointed public areas and spacious outside decks.

Your Suite

On board there are 59 exceptionally spacious and well-designed suites. All feature a seating area and some have private balconies, whilst those on the Marco Polo Deck feature tinted, sliding glass doors allowing greatly enhanced viewing opportunities and quick access to the deck. The passenger accommodation is arranged over five decks and each suite affords considerable comfort with en-suite bathroom featuring marble-topped vanity unit with sink and walk-in shower, a large wardrobe, dressing table and excellent storage. There is a mini-fridge, television and telephone in each suite. Refillable water bottles, dressing gowns and slippers are also provided for your comfort. Lunch and dinner menus offer plenty of choice, often reflecting the daily catch and local delicacies. The Welcome and Farewell dinners are a sumptuous five course affair. During your voyage we hope to offer you the opportunity to visit the Captain and Officers on the Bridge to check the vessel's progress by charts and learn more about your journey. On board you will also find a clinic and Doctor and a lift that serves all decks. When at anchor our nimble Zodiacs will ferry you ashore or, on select cruises, enjoy Zodiac cruises getting you closer to the natural world.

Your Life On Board

The atmosphere on board is warm and convivial and more akin to a private yacht or country hotel in which you can learn more about wonderful destinations you are visiting in the company of like-minded people. There is a high ratio of crew to passengers and our friendly crew of 75 are mainly Filipino and Eastern European and our Captains are experienced mariners. After a day ashore you will return to the comfort and peace of a well-run and exceedingly comfortable ship where peace, high quality of service and attention to detail are the order of the day. A little music in the Lounge after dinner, Guest Speakers and informative port briefings and of course good food, all contribute to make any voyage aboard this wonderful vessel a memorable and joyful experience.
